## JUDGING HISTORY ADDITIONS

In the spaces below add recent judging positions served which DO NOT appear on the Judging History printout sent to you. In the column "REG / NAT YEAR" type either "REG X XXXX" where the single X represents the region Number, and the XXXX represents the year. Or type "SAFECON XXXX". Again, the XXXX represents the year. In the column "JUDGING POSITIONS SERVED" list the judging position(s) you held during that SAFECON. Each Position should be separated by a comma. You have three lines for use to list positions for each date field. Abbreviate whenever possible.
