## Proposed By-law (changes in red, bold, *italic* print)

### 5. EXECUTIVE COMMITTEE

5.1.c Two members of the NIFA Council ~~appointed~~ ***elected*** by the NIFA Council ~~Chairman.~~

## Rationale

**The following rationale was presented by the author of the proposed by-law change. The NIFA Council has not had the opportunity to debate the proposed by-law change as presented. Therefore, the NIFA Council can neither support nor offer an alternative to the proposed change or rationale.**

The Executive Committee is critical to the operations of the National Intercollegiate Flying Association. Currently the by-laws prohibit the NIFA Council from directly electing the members of this critical committee. By having the NIFA Council elect, versus the Chairman solely appoint its members, the Executive Committee will be more representative of the students and member schools. This change will prevent the undesirable possibility of the centralization or concentration of power and authority among a few individuals.
