

NIFA COMPETITION SAFETY AWARD SAFECON 2012

School Name: _____ Team name: _____

Number of Team Members _____ Number of Aircraft _____ Score: _____

Teams will be judged on nine basic items in addition to overall general impression. Positive and/or negative comments will be determined by observing each team's safe operation of flight arrivals, ramp procedures, pre-competition practice, staging, taxi, and flight procedures. Items #s 1-8 shall be awarded from 0-10 points. Item #9 will receive 0-20 points. Flight event safety disqualifications, or other serious safety related infractions, shall disqualify a team for this award. On-the-other-hand, teams demonstrating sound safety operations on the ground and sound judgment and adherence to safety procedures in the air will be given extra credit toward this award.

Item #1: At least, one (1) team safety officer wears a safety vest. All teams should have an SOP for safe ground handling of airplanes. **PTS:**

Positive Negative

Item #2: A sign or other indication that the magnetos are off and mixture is full lean is displayed **PTS:**
